

HOMeward ALLIANCE PROGRAM SPOTLIGHT:

Re-Entry Program

What is Re-Entry?

Homeward Alliance's Work and Gain Education and Employment Skills (WAGEES) Re-entry Program exists to serve individuals exiting the criminal justice system, by providing them with wrap-around support so that participants can reach a level of sustainable, self-sufficiency in their community. The program focuses on helping participants work on their mindset, employment/education goals and securing stable housing.

How to Access Re-Entry:

- On parole (or released from prison in the last 12 months)
- Live in Larimer or Jackson County.
- 18+ y/o

NOTE: We do not have housing and therefore cannot provide an address for a parole plan; however, we can give you a list of transitional housing options in the area upon request.

Homeward Alliance is a Colorado-based non-profit that empowers individuals and families who face homelessness to survive, move forward and thrive. We operate a continuum of programs that help people with their immediate and long-term needs and further our community's plan to make homelessness rare, short-lived and non-recurring.

Re-Entry is one of those programs.
